Hymn #360 *Here We Have Gathered*

1. Here we have gathered, gathered side by side;
circle of kinship, come and step inside!
May all who seek here find a kindly word;
may all who speak here feel they have been heard.
Sing now together this, our hearts' own song.
2. Here we have gathered, called to celebrate
days of our lifetime, matters small and great:
we of all ages, women, children, men,
infants and sages, sharing what we can.
Sing now together this, our hearts' own song.
3. Life has its battles, sorrows, and regret:
but in the shadows, let us not forget:
we who now gather know each other's pain;
kindness can heal us: as we give, we gain.
Sing now in friendship this, our hearts' own song.

Hymn #205 *Amazing Grace*

1. Amazing grace! How sweet the sound
that saved a wretch* like me!
I once was lost but now am found,
was blind but now I see.
2. 'Twas grace that taught my heart to fear,
and grace my fears relieved;
how precious did that grace appear
the hour I first believed!
3. Through many dangers, toils and snares, }
I have already come;
'tis grace that brought me safe thus far,
and grace will lead me home.
4. When we've been there ten thousand years,
bright shining as the sun,
we've no less days to sing God's praise
than when we'd first begun.

Plate Sharing This Month

Boston Area Gleaners (BAG) is a community-supported 501 (c) (3) organization whose core commitment is bringing food to those in need. The Gleaners do this in part by rescuing surplus crops from local farms, such as Applefield and Small Farm in Stow and Cucurbit Farm in Acton, that would otherwise go to waste and distributing the surplus to hunger relief organizations, such as area food banks, shelters, meal programs, and low-income markets that provide food to agencies with a social justice mission. Boston Area Gleaners relies on the efforts of many volunteers to harvest during the season and to distribute perishables to hunger relief organizations during the winter months.

During the Covid-19 pandemic, BAG has re-engineered their volunteer operation to increase the distribution of emergency food to relief organizations serving food-insecure populations. They've participated in the USDA Farm to Families initiative and collaborated with Food for Free, Just Eats Grocery Box program, to distribute family-size boxes of food each week during the winter to residents of Greater Boston.

As part of BAG's vision to expand its impact from farms to families, it has agreed to purchase Stonefield Farm in Acton. To fund this, it is selling an Agricultural

Preservation Restriction on the property to the Town of Acton and Sudbury Valley Trustees. This will ensure the land will remain undeveloped and open space in perpetuity.

Please visit the website www.bostonareagleaners.org to learn more about BAG's mission and how to volunteer.

SATURDAY MORNING BREAKFAST

June 18, 2022, 8:05am

Henry Patterson of Concord, started the restaurant Bel Canto when he was twenty-four and has been in the restaurant business ever since. In March he flew to Poland. He writes:

“Cooking at the border for Ukrainian refugees was both profoundly sad and exhilarating, as I will describe. World Central Kitchen is a brilliant example of what is possible when ordinary people decide to defy life's challenges.

In our case, we are foodservice people doing what we do - expressing our caring by feeding people - finding the place to do it where it truly matters. “

This meeting will probably be by zoom, starting at 8:05.

Lindsay LaPointe lindsay.lapointe@gmail.com:

Hello!

As some of you know, I am offering a practice run of the worship service that I will be doing at GA this year in Portland, Oregon.

Here is the information about the event.

Friday, June 10th

6:45 PM arrive to Fellowship Hall

7:00 PM - 7:45 PM Worship experience

At the end I will hold space for people to offer feedback and comments.

EMPOWERED TO MOVE

Embodying worship practices was at the forefront of the Liberal Religious Youth and Young Religious Unitarian Universalists' youth movements. Join us as we take these experiences and reimagine them together in a movement practice built to help reconnect with others. No movement experience needed. All abilities and ages are welcome.

What participants will learn:

Through this workshop experience participants will gain the knowledge of how to incorporate movement into their worship rituals. Through learning how to use their body as a way to embody their spirituality, they will become more familiar with how to connect with themselves and each other at a deeper level.

The General Assembly's theme this year is: "Meet the Moment: Reimagining a Radical Faith Community."

This worship experience will focus on how a group can express their spirituality through embodiment. When a group of people, familiar with each other or not, go through a shared experience it can be powerful. Showing that power in self expression with support from others is a gift like no other. We will find ways to heighten our senses, be in community and create something together in the moment.
